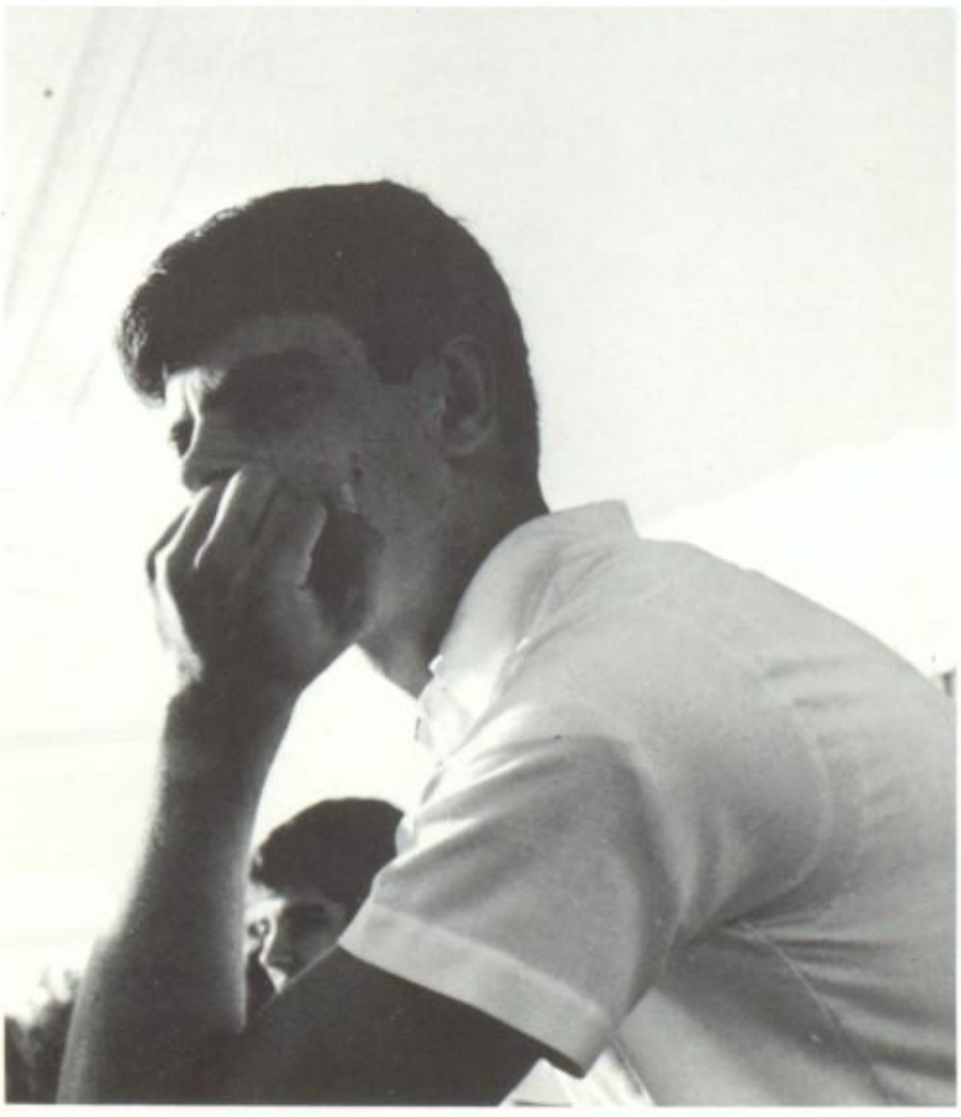
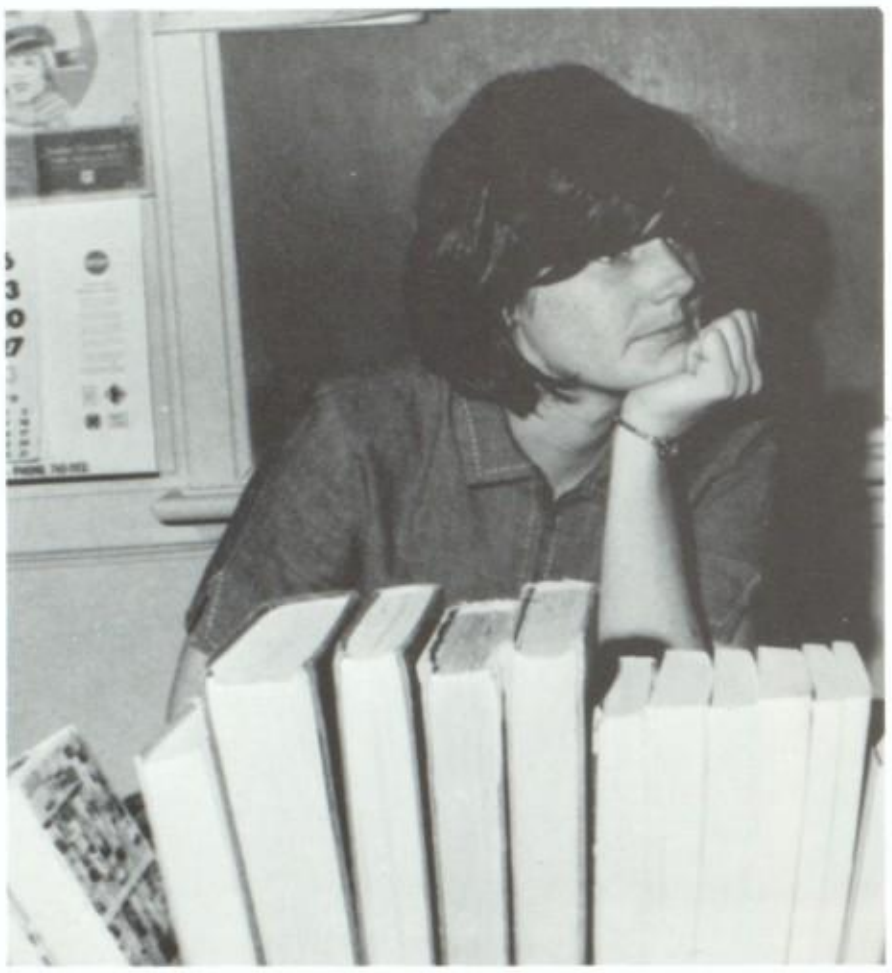
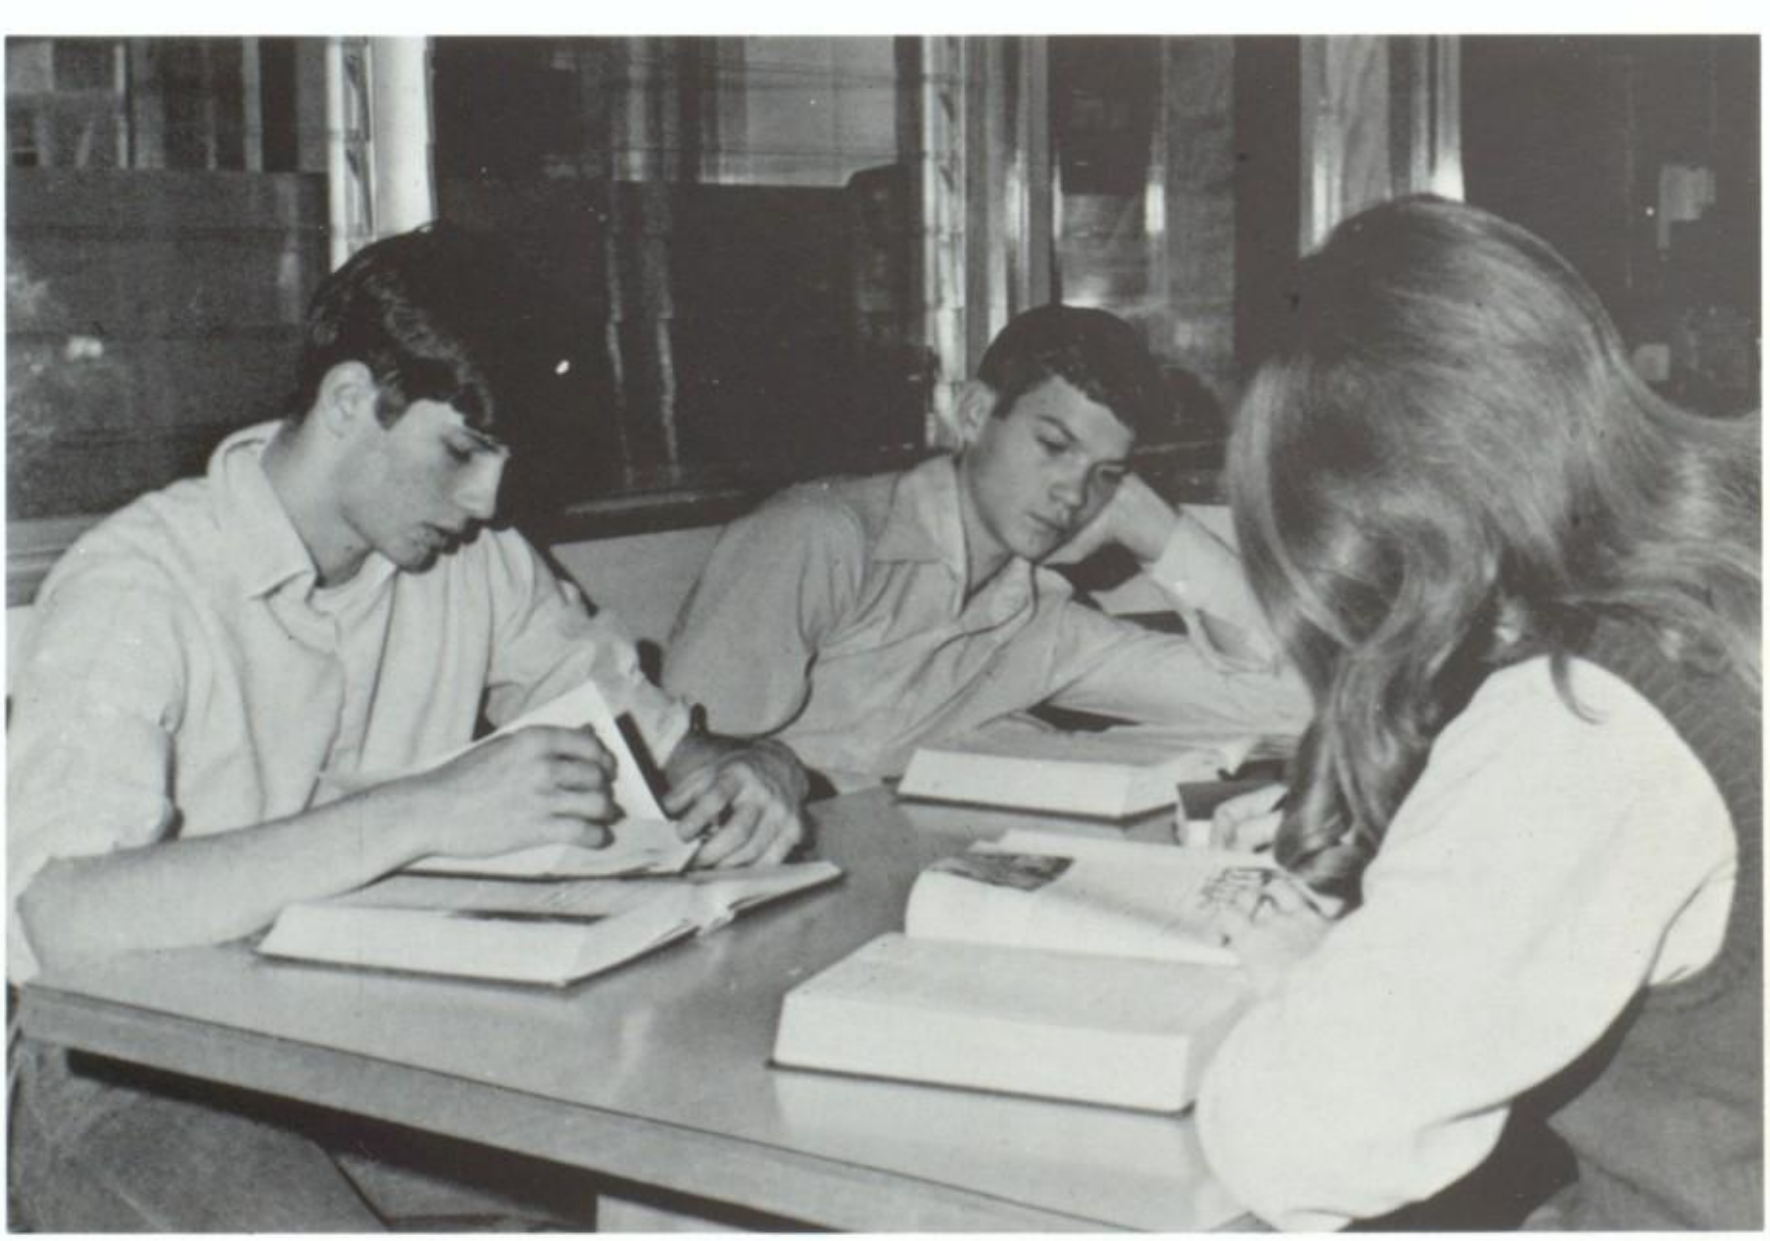
Communication, like education, is a part of all of our lives.



In a world that rushes to an unknown destination, we must take time to communicate with each other by . . .

Thinking

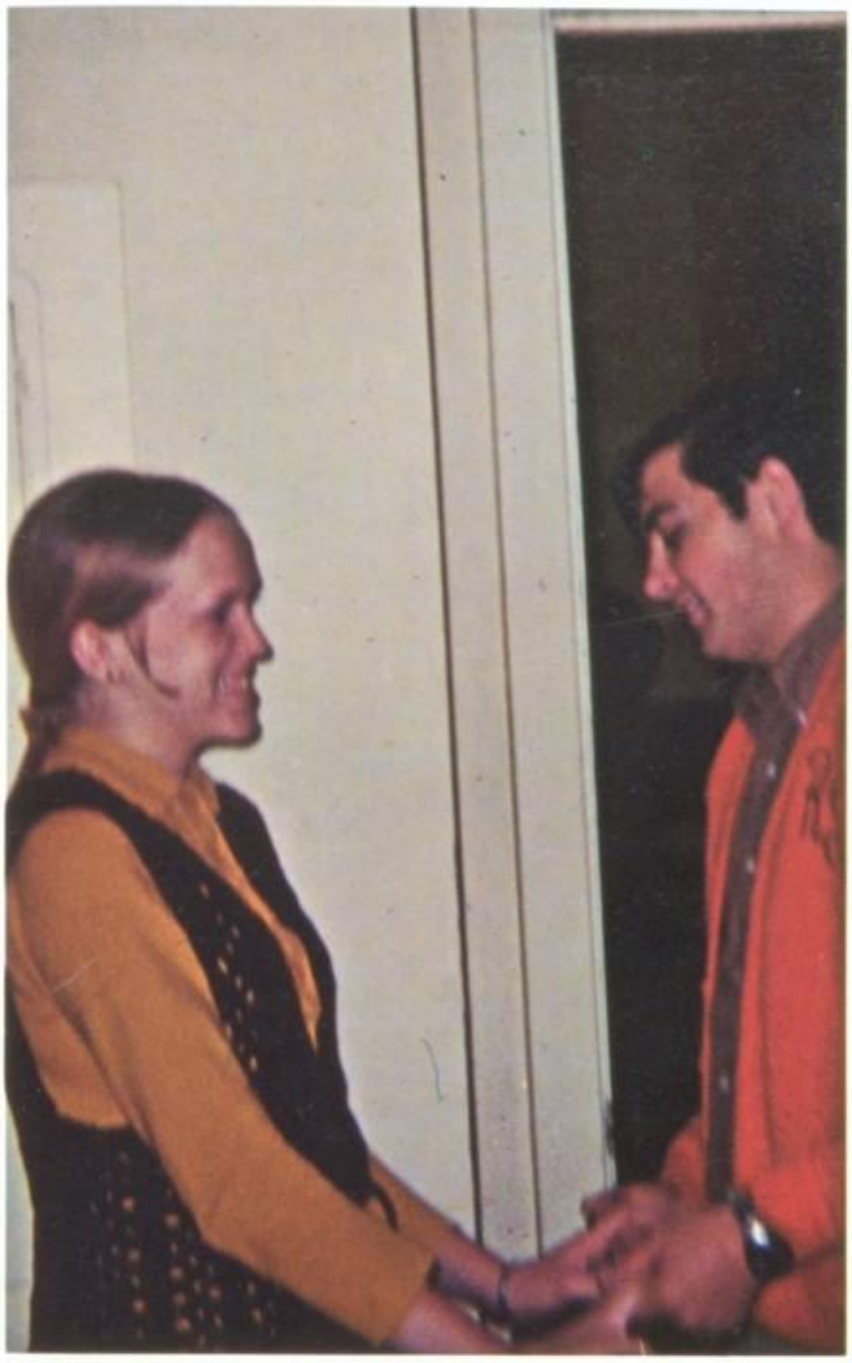




"There is nothing either good or bad, but thinking makes it so."

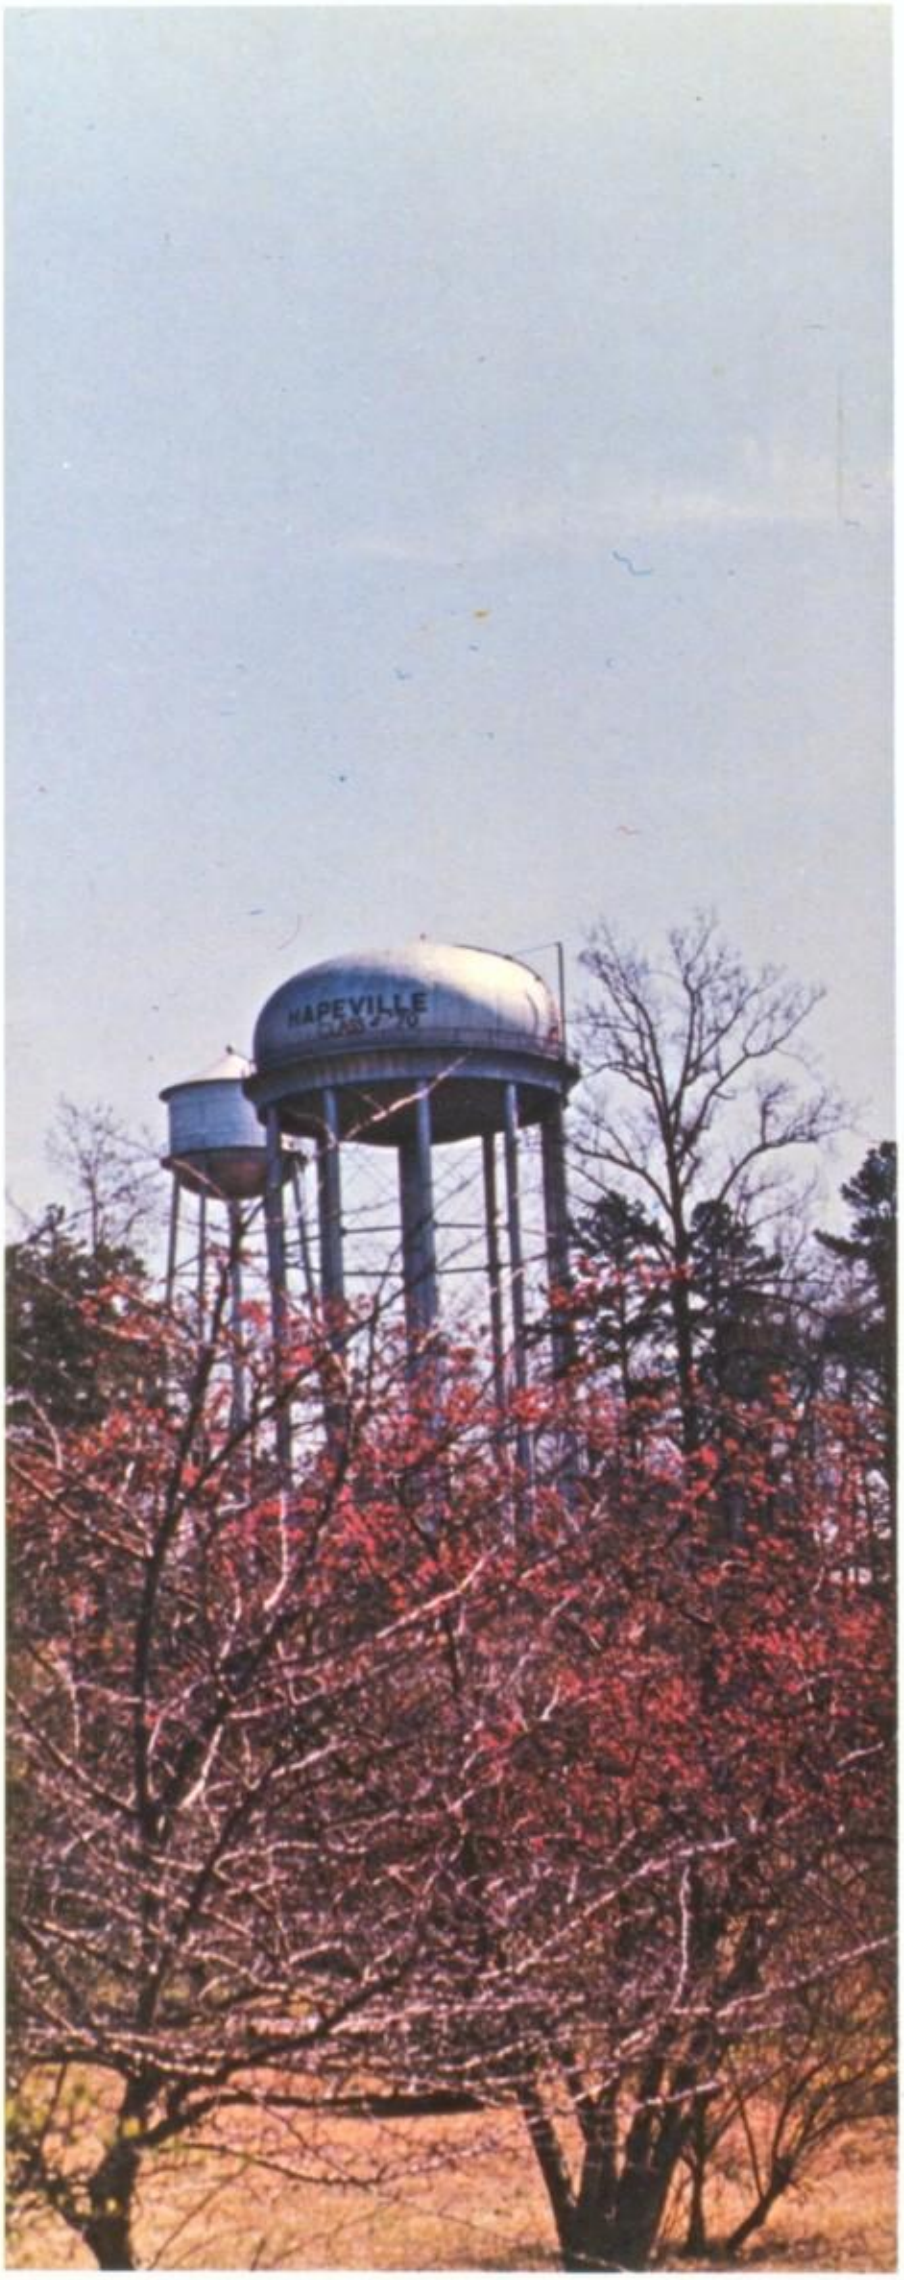
Shakespeare

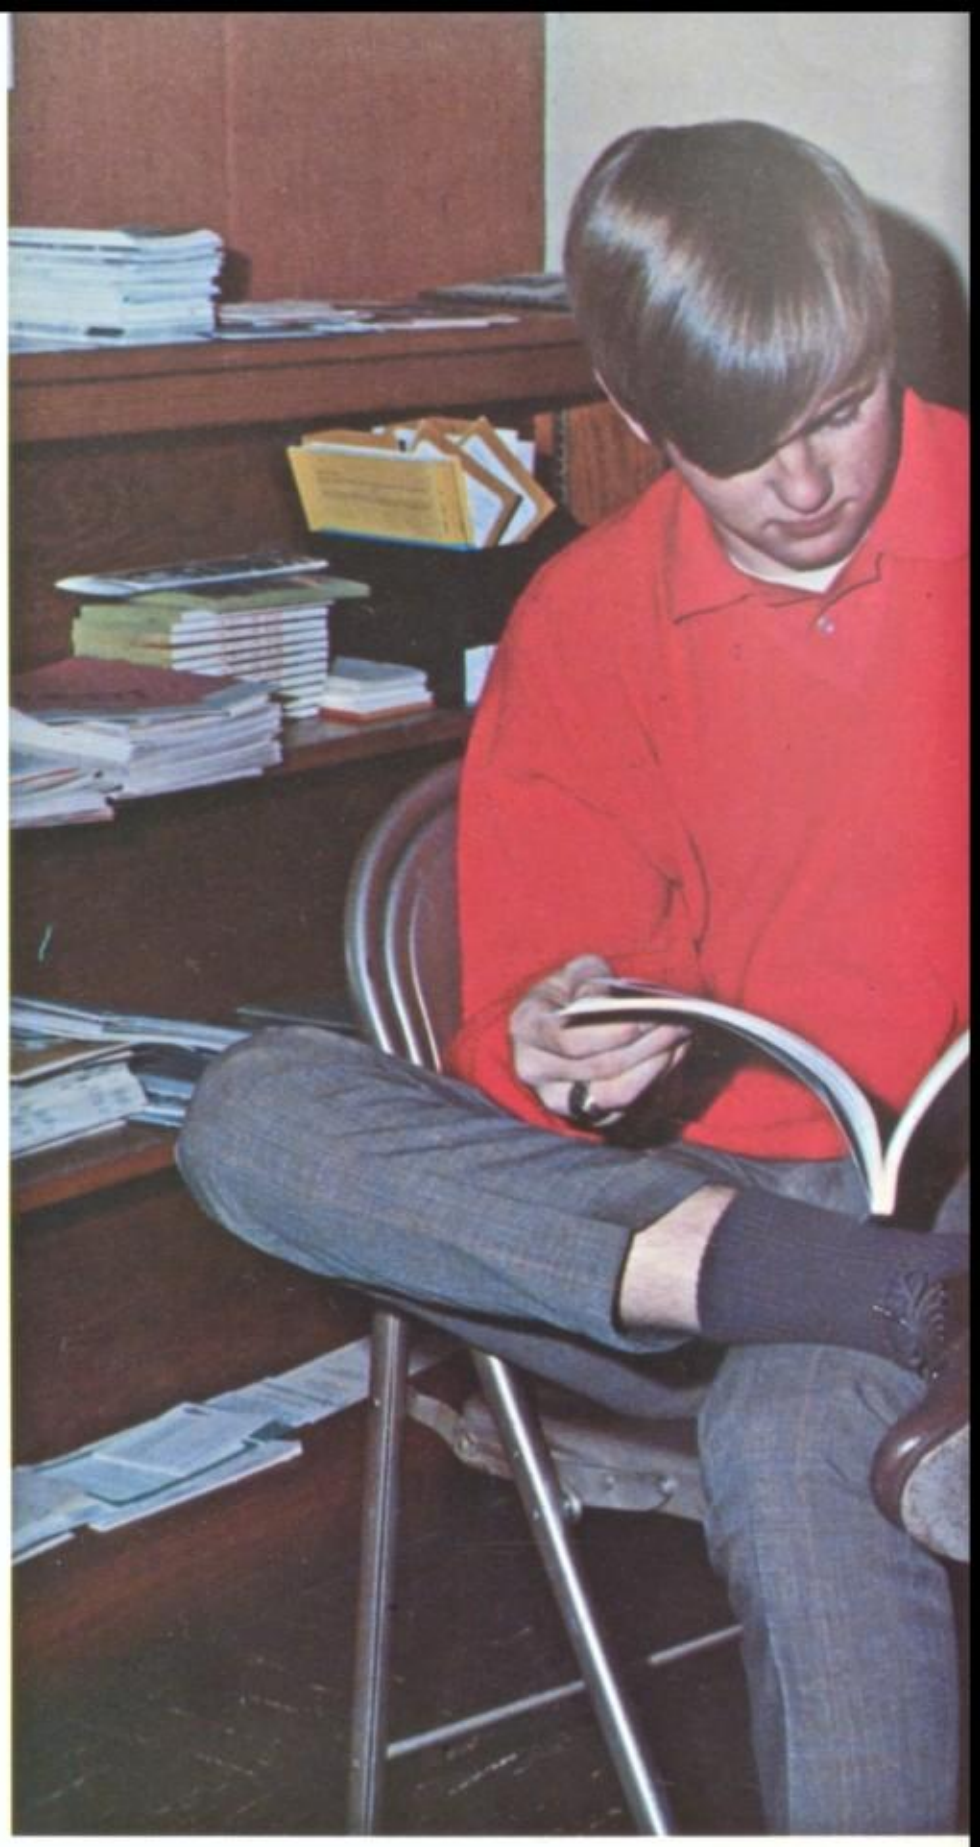
Talking

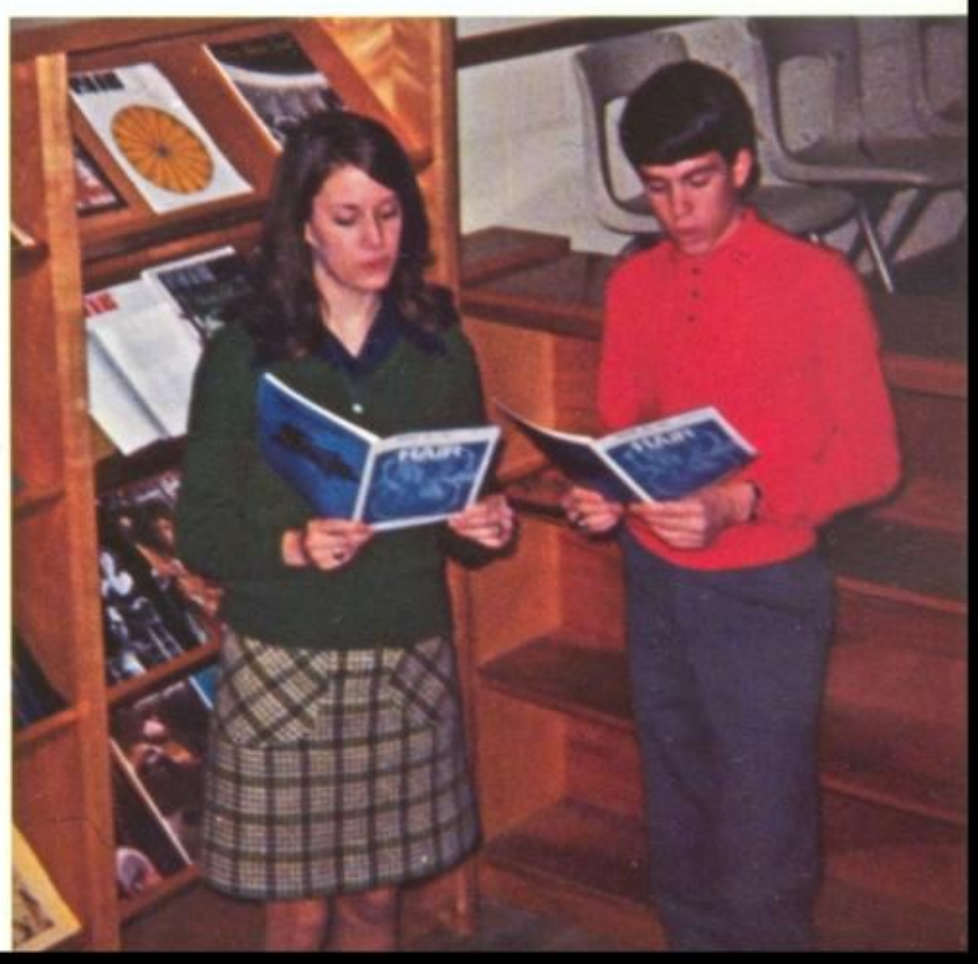


Listening

Writing







Reading

Expressing one's self

Singing

Touching

We have the basic means to
reach and touch each
other by communicating.
The challenge lies in
working for our goal, that of
everlasting harmony.

Hank Rast stands ready to receive a pass as onlooking defender lunges to interfere.

The 1969 football season proved to be a very dismal one for the Hornets. Injuries and inexperienced starters plagued the Hapeville team all year. "We Try Harder" was a slogan often seen at many games during the year. Penalties that nullified touchdowns, dropped passes, broken plays—all contributed to the 1-9 record.

Randy Thomas receives a Lancer punt and sets a swift foot toward the goal.

Although the Hapeville team lost the first nine games, the players did keep trying until, at last, the team recorded its only victory with a 7-6 defeat of Pebblebrook. The experience the younger players picked up this year was invaluable and should lead to a brighter road next season.

This year the B-Team Hornets fought their way to a 2-5 record, which could have been better except for bad breaks in the fourth quarter of two games. The ability these players have developed should help them in varsity play next season.

As I look back over the 69-70 school year, many different events come to mind, both good and bad. But now that it is over, I wouldn't want it any other way, because now it is a part of the people of Hapeville High.

It has been a great pleasure for me to have had the privilege of being part of the Class of 70, which has proclaimed its greatness by writing its name high in the heavens and down on the lowly street.

As always, the Hilltop staff sincerely hopes that the 1970 Hilltop has successfully communicated the events of this year and that the 1970 Hilltop will be pleasing in the eyes of the students and faculty of Hapeville High.

Sincerely,
